# Information for using this manual

---

- The screenshots within this document were taken from the Guarantees Portal whilst using Microsoft Edge. Those using other versions of Internet Explorer or other Web Browsers (Firefox, Safari, Google Chrome etc.) may see subtle variations in the appearance of the Guarantees Portal.
- “Breadcrumbs” – outline the route by which the User got to their current location within the system, similar to a file path. They can be used to navigate around the Guarantees Portal.
- “Hyperlinks” are represented by a **blue bold** font. The contents page is linked automatically. To utilise a link, the User should move over the link text, wait until the cursor changes to a “Hand Pointer”  and ‘Click’ or alternatively select CTRL + ‘Click’.

# Preface

---

The Guarantees Portal Manual provides operational guidance to support a Lender in their Recovery Loan Scheme (RLS) Administration of RLS Facilities on the Guarantees Portal.

The new RLS Legal Agreement is made up of a core Agreement plus Agreement Supplements, which contain the terms relating to specific types of lending – Term Loan, Invoice Finance, Revolving Credit and Asset Finance – RLS can support. Lenders only sign up for the types of lending they wish to use.

## Legal Disclaimer

---

The Guarantees Portal Manual is a Scheme Document as defined in the RLS Legal Agreement between the Secretary of State for the Department of Business, Energy and Industrial Strategy (“BEIS”) and the accredited Lender and is advisory in nature.

In the event of any inconsistency between the guidance within this Guarantees Portal Manual and the terms and conditions within the corresponding RLS Legal Agreement and Supplements, the RLS Legal Agreement and Supplements take precedence. In the event of any inconsistency between the guidance within this Guarantees Portal Manual and the content of the Lender Manual, the Lender Manual takes precedence.

For ease of use, this Guarantees Portal Manual at times uses different terminology to that used within the corresponding RLS Legal Agreement and Supplements. Where terminology differs, a Glossary is provided at the end of the Lender Manual to provide a read across to the corresponding definitions within the RLS Legal Agreement and Supplements. Terms not defined in this Guarantees Portal Manual shall bear the meaning given in the corresponding RLS Legal Agreement and Supplements.

# Lender Queries and Feedback

---

RLS Product Owners within Lender organisations should be able to find answers to most types of RLS operational queries within this Guarantees Portal Manual or by reference to the Lender Manual. In the first instance, RLS-related queries from customer-facing and other internal staff should be directed to the Lender's own RLS Product Owner or in-house expert area. When dealing with such queries, Product Owners are encouraged to refer to the Lender Manual. Where answers to a query cannot be located within the Lender Manual, RLS Product Owners are encouraged to ask the question "If RLS did not exist, what would be our approach to tackling this situation according to our normal commercial criteria and guidelines?"

BBB recognises however that there will still be occasions where Product Owners will wish to raise queries directly with BBB. In such circumstances, brief, simple enquiries can be made via the 'Ask BBB' function on the RLS Guarantees Portal (see later in this Manual). For more detailed and complex queries, whether they relate to RLS policy, Eligibility Assessment or any other feature of how the Scheme works, please contact BBB at [RLSLivelenders@british-business-bank.co.uk](mailto:RLSLivelenders@british-business-bank.co.uk). BBB will aim to respond to Lender queries within 5 business days of receipt.

Feedback on potential improvement or amendments to RLS design or processes is usually sought during regular BBB/Lender monitoring meetings and via the independent audit process. Notwithstanding this, BBB welcomes feedback from Lenders on any aspect of RLS design and/or operations at all times.

# 1.0 The Recovery Loan Scheme (RLS) – An Introduction

---

The Recovery Loan Scheme was established on 6 April 2021 with the aim of continuing to support the provision of finance to viable UK businesses during the Coronavirus (COVID-19) outbreak and recovery period, enabling these businesses to survive, recover and grow. The first phase of the RL Scheme was initially launched until 31 December 2021 and was extended on amended terms until 30 June 2022. After 30 June 2022 the Scheme may end or be modified and extended in line with prevailing market conditions. However, BBB gives no assurance that the Scheme will continue after this date.

RLS can be used to enable a business that has been impacted by the Coronavirus (COVID-19) pandemic to access funding. In this way, RLS supports the UK Government in increasing the supply of finance to viable businesses, enabling them to navigate and recover from the disruption caused by the Coronavirus (COVID-19) and in turn support the UK economy.

There are a wide variety of Lenders accredited to participate in RLS, ranging from the largest clearing Banks to smaller specialist Lenders. RLS is designed to be a flexible guarantee Scheme which can be used to support Term Loans, Revolving Credit Facilities (committed overdrafts and overdrafts repayable on demand), Invoice Finance Facilities and Asset Finance Transactions. Accredited Lenders can use RLS to facilitate new lending or, in certain circumstances, to refinance the existing debt of a business.

Lenders can only use RLS for the types of lending for which they have been accredited by BBB.

## 2.0 The Recovery Loan Scheme Guarantees Portal

---

### 2.1 Overview

The Guarantees Portal is the primary means of interaction between the Lender and BBB and this interaction is conducted via a secure, encrypted web-based portal.

- Each Lender can request several Administrator accounts, who in turn can create Lender ‘End User’ and Lender Limited Access ‘End User’ accounts as required.
- Lender ‘End Users’ are able to access the Guarantees Portal using their specific details and input data, generate reports and submit invoices/remittances as required.
- Lender Limited Access ‘End Users’ are able to access the Guarantees Portal using their specific details and input data, generate reports but cannot submit invoices/remittances.

An audit trail of all transactions is held, and all activity is traceable to a given User.

### 2.2 Staging Version

The Staging environment was provisioned to allow Users to test system integration with functionality that BBB have exposed via an API endpoint. For access to the environment, please contact Guarantee Operations. The Staging version has a blue banner.

The web address (URL) for the Staging version is:

██

## 3.0 Getting Started

---

### 3.1 Documentation

Before any borrowing proposal can be entered on to the Guarantees Portal (Facility Entry), the Lender must ensure the following documentation is held, or expected to be held for each proposal:

- Data Protection and Disclosure Declaration – To be signed by the Applicant and if appropriate, any personal guarantor.

This document is accessible on the Guarantees Portal. Details of how best to print the document can be found at [6.5 Printing Documents](#).

A Data Protection and Disclosure Declaration is also required from all parties providing a Personal Guarantee for the RLS facility, in case their data needs to be shared with partners of BBB in the future.

## 3.0 Getting Started

---

### 3.2 Log In

The login screen is shown in screenshot 3.2. To log in to the Guarantees Portal a User will be required to input the following:

- Username
- Password

## 3.0 Getting Started

---

### 3.3 Forgotten Password

If the User forgets their password – they should select the option 'Forgot your password?'. They will then receive a system generated email which will provide instructions on how to re-set their password. British Business Bank plc does not have the ability to re-set passwords.

#### Example of the Email content that the User will receive

Hello xxxxx!

Someone has requested a link to change your password, and you can do this through this link:

[Change My Password](#)

For security purposes, this link will expire after 7 days. If the link has expired, just go back to the [login page](#) and select 'Forgot your password' and you'll receive a new link.

If you didn't request this, please ignore this email.

Alternatively please contact your administrator.

Your password won't change until you access the link above and create a new one.

Ideally, the web browser/should be closed before clicking the 'Change My Password' link that exists within the email received.

Once selected, the User will see the details within screenshot 3.3.

## 3.0 Getting Started

Once the User has changed their password, they will automatically progress to the appropriate 'Home' page (depending on whether their Username is specific to a Lender 'End' or 'Admin' User).

If Users forgot their Username they can receive a reminder of their Username by selecting 'Forgot your Username' and they will be asked to enter their email address and provided that is correct, an email will be sent to the user reminding them of their Username. If Administrative Users forget their Usernames (not passwords) then they can contact BBB via the following email address: [Guarantee.ops@british-business-bank.co.uk](mailto:Guarantee.ops@british-business-bank.co.uk)

## 3.4 Changing a Password

Once in the system, a User can change their password by selecting 'Change Password' within the 'Home' page. The User should enter their 'new' password and confirm this via the appropriate fields and click the 'Update Password' button. There will be no email received, the details are simply saved. The User can continue as they would normally.

### Set Your Password

As a minimum passphrases should be eight characters long and include a mix of letters, numbers and symbols, but they'll be longer than that.

We refer to passphrases as a phrase is usually easier to remember but harder to guess than a short collection of single word.

## 4.0 Facility States

---

### 4.1 Facility State Descriptions

Facilities are recorded within the Guarantees Portal as being in one of the 'states' listed below.

State	Description
Rejected	Applications that fail to meet the eligibility requirements of RLS.
Eligible	Applications that meet the eligibility requirements of RLS (limited customer details will have been entered at this stage).
Cancelled	Where a Lender has updated the portal following an Eligibility check to confirm that the application is not proceeding.
Incomplete	Applications where entries are incomplete and are awaiting further information.
Complete	Where the Facility Entry has been fully completed but not offered (full customer details have been entered and eligibility has been confirmed).
Offered	Facilities where an offer has been made to the Borrower.
Auto-cancelled	Where a facility has been auto cancelled by the system. This occurs when a facility has not been drawn within six-months of the date of offer.
Guaranteed	Facilities which have been drawn and assumed to be guaranteed.
Lender demand	Facilities where the lender has made a demand on the Borrower.
Repaid	Facilities that have been repaid.
Removed	Facilities that have had the guarantee removed.
Auto-removed	Where a demand has been made to the Borrower but no demand to BBB (BEIS) has been made within the required timescale or when the recorded maturity date has been exceeded by 3 months.

## 4.0 Facility States

---

State	Description
Not demanded	Where a demand has been made to the Borrower but a decision has been made to not make a claim against BBB (BEIS).
Demanded	A formal demand has been made by the Lender to BBB (BEIS).
Settled	Facilities where BBB (BEIS) has settled the demand made by the Lender.
Recovered	Any proceeds subsequently recovered that reduce the debt owed by the business and that are due to be paid back to BBB (BEIS) e.g. proceeds from security post claim).
Realised	Any proceeds subsequently recovered have been paid back to BBB (BEIS).

## 5.0 Home Page

---

The 'Home' page is displayed when a Lender 'End User' signs into the Guarantees Portal. This is shown in Screenshot 5.0. The User can return to this page via the text that reads "Guarantees Portal" – on placement over the text, the cursor should change to a  and on 'click' the User will be returned to the 'Home' page.

The alternative method to return to the 'Home' page is using the 'Breadcrumb' functionality which will appear in the area highlighted below. This works similarly to the file path that Users will be familiar with in many Microsoft applications.

## 5.2 Alerts

The Alerts system is designed to help the Lender actively manage their portfolio of RLS Facilities and keep track of any Facilities that are due to be automatically removed from the RLS Portal. The Guarantees Portal automatically removes facilities (as being Guaranteed) that are in certain states after a period of 3 or 6 months (depending on the type of the alert/scheme (there will be an additional 10-day period for operational flexibility) without any User update or intervention).

Alert	Description
The number of facilities which will be auto-removed if not progressed to Offered.	Facilities Eligible/Complete – but not yet progressed to Offered.
The number of facilities which will be auto-removed if not progressed to Drawn.	Facilities Offered but not yet progressed to Drawn or Cancelled.
The number of facilities that will be auto-removed if not updated to Repaid within three months.	Facilities that have progressed beyond their scheduled maturity but have not yet progressed to Repaid.
The number of facilities with upcoming tranche drawdowns that are due to be drawn.	Facilities with scheduled tranche drawdowns that will need to be updated on the Guarantees Portal, when drawn.

---

## 5.0 Home Page

The Alerts section shows facilities (as user action becomes more imminent) using a ‘traffic light’ approach:

- Action required within 10 days (**red**).
- Action required within 30 days (**amber**).
- Action required within 60 days (**green**).

A full list of facilities within each time period can be accessed by selecting the appropriate bars within the bar chart (via  ‘click’). The details will then be exposed in another screen. In addition, all facilities within that alert ‘State’ regardless of time lapsed can be viewed by selecting the “View All” option.

Note that facilities in the “Offered” state which have not yet been drawn will continue to be shown for a further 10 days in accordance with the RLS Legal Agreement.

## 5.3 Utilisation

The Lending Limit Utilisation dashboards on the Homepage shows a Lender their up-to-date utilisation against their individual 'Lending Allocation' under each Scheme. The RLS lending allocation and Internal Refinance Usage will cover Phase 1 and Phase 2 and therefore the figures for RLS Phase 1 and Phase 2 will be the same.

### Lending Limit Utilisation

#### RLS Phase 1 Lending Limit

<b>Allocation:</b>	£1,000,000,000
<b>Usage:</b>	£72,583,300
<b>Utilisation:</b>	7.26%
<b>Internal Refinance Usage:</b>	1.95%

#### RLS Phase 2 Lending Limit

<b>Allocation:</b>	£1,000,000,000
<b>Usage:</b>	£72,583,300
<b>Utilisation:</b>	7.26%
<b>Internal Refinance Usage:</b>	1.95%

## 5.0 Home Page

---

Function Type	Description
Allocation	The Lender's Allocation Limit (i.e. the maximum amount the Lender can lend under the Scheme in that Annual Scheme Period).
Usage	Value of the facilities under Guarantee within the Allocation Limit.
Utilisation	Percentage of facilities under Guarantee within the Allocation Limit.
Internal Refinance Usage	Percentage of facilities for that Phase that are Refinancing of Existing Internal Debt – this is restricted to 20% of their total lending under a Phase.

---

## 5.4 Other Functions

There are several 'Other Functions' located on the 'Home' page:

### 5.5 Help Section

There are several reference items that can be found via the 'Help' option on the home page which provide help and support for Lenders.

Function	Description	Link
Ask an Expert	<ul style="list-style-type: none"><li>– Each Lender has a given Expert(s).</li><li>– Lender 'End User' queries, if they select this option, will be directed to British Business Bank plc.</li><li>– All queries that require British Business Bank's attention – ought to come via the Lender's 'Experts' via 'Ask BBB' and not directly to BBB or its employees. This will ensure that the appropriate BBB team member receives the query.</li><li>– If Lenders deal with internal queries by some other mechanism, then this process remains unaffected and should continue i.e. the 'Ask an Expert' option is simply an alternative escalation mechanism for the Lender's 'End Users'.</li></ul>	<a href="#">14.3 Manage Experts</a>

Downloads	Description	Link
RLS Facility Letter Wording	The wording that Lenders need to incorporate into their facility/offer letters in respect of RLS Facilities.	
Personal Private Residence Declaration	The document that the Borrower/Guarantor needs to sign that they have voluntarily agreed to utilise the proceeds (either sale or re-mortgage) to reduce their exposure in relation to a RLS facility.	
2007 SIC Code Document	A PDF document that will allow End Users to undertake a comprehensive search via SIC descriptions/older codes and provide the 2007 equivalent code.	<a href="#">15.1 SIC 2007 Document</a>

As outlined above, if the Lender 'Expert' is unable to provide an answer to the Lender's End User, then the Lender 'Expert' should contact British Business Bank plc via the 'Ask an Expert' option.

# 6.0 Search Options

There are several methods of searching for an RLS facility from the 'Home' page as shown in screenshot 6.1.

Guarantees Portal Screen 6.1: Home Page/Search Options

## 6.0 Search Options

---

### 6.1 Option 1 – Quick Lookup (Using the Facility/Claim/Recovery Unique Reference Number)

The Guarantees Portal generates a Unique Reference Number for each RLS facility, claim and recovery which can be used to locate them from the home page as shown in screenshot 6.1.

The User can input the Reference Number in the appropriate area provided (white elongated oval with the words 'Quick Lookup' in it) and press the return key. If the User clicks within the white oval and presses return – the entire portfolio will be exposed (this should be avoided). The reference when being typed will provide several options available when 4 characters have been entered (if a facility contains those 4 characters (auto complete functionality)). If the User selects from one of the options that become exposed, it is essential the User ensures that they are selecting the correct facility to update.

Once the appropriate facility, claim or recovery has been selected – or the facility reference characters have been entered in their entirety (and the User has pressed 'return') the Summary screen will be shown, as shown in 6.1.1: Summary.

# 6.0 Search Options

## Guarantees Portal Screen 6.1:1: Summary

The screenshot displays the 'Guarantees Portal – Training' interface. At the top, there is a navigation bar with links for 'Facility Portfolio', 'New Facility', 'Claims', 'Invoices', 'Recoveries', 'Reports', and 'Search', along with a 'Quick Lookup' search box. Below this is a breadcrumb trail: 'Home / Facility Portfolio / Facility 4X9DYVY+01'. The main heading is 'Facility Summary for 4X9DYVY+01' with an 'Export CSV' button to the right.

The facility details are listed as follows:

Facility Scheme:	CBILS
Facility Type:	Term Facility
State:	Eligible
Amount:	<not assigned>
Business name:	<not assigned>
Last modified:	20/12/2021 16:18:16
Modified by:	[Redacted]

Below the details are several action buttons: 'Facility Details' (highlighted by a blue callout box), 'Facility Changes', 'View Audit Log', 'Facility Entry', 'Cancel Facility', and 'Data Protection and Disclosure Declaration'.

## 6.0 Search Options

---

### 6.2 Option 2 – Search (For a Facility) (Using Other Search Criteria)

On the navigation bar there is a 'Search' option, this can be used to search for facilities or claims. For facilities there are two types of search criteria, 'Basic' and 'Advanced' as shown in screenshot 6.2. Several criteria can be used to refine the search.

The current options available include a search by:

- Legal name of the applicant business
- Trading name
- Company registration number and
- Facility state.

The 'Advanced' option allows other criteria such as Lending Limit, Loan Amount ranges, Maturity Date ranges, Loan Purpose, Postcode, Modified Date range, Last Modified User and Generic Field data to be included in the search. The Business Name of the Applicant and the Trading Name search will show the results for any word or part of a word contained in the facility details. To select more than one option within the drop-down boxes, use the 'CTRL' key in conjunction with a mouse 'click'.

# 6.0 Search Options

## Guarantees Portal Screen 6.2a: Basic Facility Search

The screenshot shows the 'Guarantees Portal' search interface. At the top, there are navigation links: 'Facility Portfolio', 'New Facility', 'Reports', and 'Search'. A 'Lookup Facility' button is also present. Below this is a 'Home' button. The main heading is 'Search', followed by instructions: 'From this page you can locate an EFG/SFLG facility using basic or advanced search criteria. (Tip. If required, you can select more than one option by using the Ctrl and Shift keys in conjunction with your mouse). When you have entered your Search criteria click on the 'Submit' button.'

The search form includes the following fields:

- 'What is the legal name of the Applicant business?' (text input)
- 'What is the trading name?' (text input)
- 'What is the company registration number?' (text input)
- 'What is the Facility?' (dropdown menu with options: All states, Rejected, Eligible, Cancelled, Incomplete, Completed, Offered, Guaranteed, Lender demand)
- 'What is the lender's facility reference?' (text input)

Below the search fields is a 'Sorting' section:

- 'Select the sort option' (dropdown menu showing 'Business Name')
- 'Select the sort order' (radio buttons for 'Ascending' and 'Descending', with 'Descending' selected)

At the bottom of the search area, there is a green button labeled 'Show Advanced Search Options' and a blue 'Search' button.

User enters appropriate details in any (or combination) of the fields

Prior to submitting the 'search' criteria – the User can select the field to sort the results – and determine ascending/descending order

## 6.4 Facility Summary Screen

For each facility, the 'Facility Summary' screen as shown in screenshot 6.4 can be accessed following a search (see 6.1 Option 1 – Quick Lookup (Using the Unique Reference Number), 6.2 Option 2 – Search (For a Facility) – (Using Other Search Criteria) or 6.3 Option 3 – (View your) Facility Portfolio or View Facility Portfolio).

Guarantees Portal Screen 6.4: Facility Summary

The screenshot shows the 'Guarantees Portal – Training' interface. The main content area is titled 'Facility Summary for VP28BR8+01'. It displays the following details:

- Facility Scheme: CBILS
- Facility Type: Term Facility
- State: Guaranteed
- Amount: £12,345.00
- Business name: TEST
- Last modified: 07/01/2022 14:53:34
- Modified by: [Redacted]

Below the details are several buttons for actions:

- Facility Details
- Facility Changes
- View Audit Log
- View Arrears
- Change Amount or Terms
- Demand to Borrower
- Repay Facility
- Data Correction
- Current Repayment Plan

Callouts in the image point to:

- 'Facility summary' pointing to the facility details table.
- 'Access details/review changes' pointing to the 'Facility Changes' button.
- 'Actions' pointing to the 'View Audit Log' button.

For each facility, there are summary details which can be viewed immediately, loan details/changes and Audit Log details that can be viewed via the appropriate button and other 'Actions' that can be undertaken by the User, dependent on the state of the facility.

## 7.1 Completing the Provisional Eligibility Assessment

From the Home page select 'New Facility' or 'Start New Facility Application' as shown in screenshot 7.1.

Guarantees Portal Screen 7.1: Home Page/New Facility – Start New Facility Application

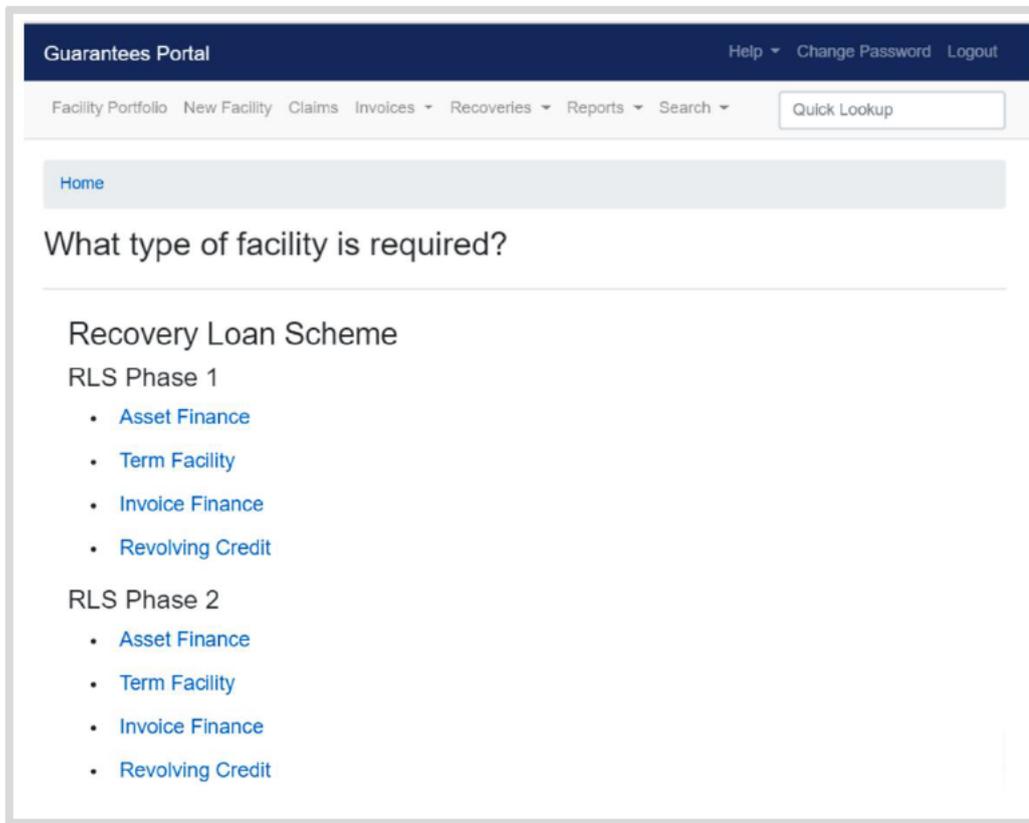

Various details relating to the Applicant and the Facility are requested. At this stage, no name or address details of the Borrower are requested and therefore the Provisional Eligibility Assessment check is anonymous.

The Guarantees Portal will determine whether an applicant is provisionally 'Eligible' or 'Ineligible' for an RLS Facility. At the level of the individual transaction the delivery of RLS, including the Eligibility Assessment, is fully delegated to the accredited Lender. In the event of any doubt by the Lender, Provisional Eligibility should be checked online via the Guarantees Portal at the earliest opportunity to avoid any potential wasted effort by the Lender or Applicant.

# 7.0 Provisional Eligibility Assessment

## Guarantees Portal Screen 7.1.1: What Type of Facility is Required?

Lenders will only see the types of facilities that they have been accredited to use. If a Lender has been accredited to use more than one type of lending, then they will need to select the appropriate type for the lending being undertaken.

Facilities offered before 31 December 2021 will fall under RLS Phase 1, and those offered from 1 January 2022 will need to be set up under RLS Phase 2. The RLS Lending Limit and internal refinance values will cover both Phase 1 and Phase 2.

#### Provisional Eligibility

##### Declaration by Lender

In order to be eligible for the RLS Scheme, the Borrower must have confirmed to the Lender that it has been impacted by Coronavirus (COVID-19) and the Lender would either: not have been prepared to offer a Commercial Facility (for the same amount on similar terms), or would only have been prepared to offer a Commercial Facility on similar terms at a higher price.

The Lender must establish that the Borrower, or the Borrower's Group has a viable business proposition, that can reasonably be expected to enable it to meet its repayment obligations. This is determined according to the Lender's underwriting policies in place from time to time and may, but is not required to, be without regard to any concerns over the Borrower's short-to-medium term business performance due to the uncertainty and impact of Coronavirus (COVID-19).

For smaller value facilities (e.g. those of £30,000 or below) in determining eligibility of the Applicant rather than assessing viability in accordance with the above paragraph, a Lender may decide to determine the Applicant's credit worthiness based on its internal credit scoring model from time to time.

##### For Borrowers outside the scope of the NI Protocol

If the Borrower is not captured by the NI Protocol and the Proposed RLS Facility is £30,000 or more, the Borrower must not, at the date of application, be subject to Relevant Insolvency Proceedings.

##### For Borrowers captured within scope of the NI Protocol

If the proposed Facility is for more than £30,000 then a Lender must determine whether the Borrower is an "Undertaking in Difficulty" in accordance with the relevant EU definition.

If the Borrower (together with its Extended Group) has fewer than 50 employees and less than £9,000,000 in annual turnover and/or annual balance sheet (A "Micro or Small Enterprise") the Micro or Small Enterprise (or the appropriate part of its Extended Group, if applicable) must not be either (a) subject to collective insolvency procedure under national law, or (b) in receipt of rescue aid (which has not been repaid) or restructuring aid (and are still subject to a restructuring plan).

If the Borrower is not a Micro or Small Enterprise, the Borrower (or the appropriate part of its Extended Group, if applicable) must not be an "undertaking in difficulty" on the Application Date, or if the Borrower (or the appropriate part of its Extended Group if applicable) is an "undertaking in difficulty" on the Application Date, it was not on 31 December 2019, an "undertaking in difficulty" (this includes businesses that have accumulated losses greater than half of their subscribed share capital, as well as businesses that entered into collective insolvency proceedings or fulfilled the criteria to be put into collective insolvency proceedings, businesses that have previously received rescue aid that is yet to be reimbursed or restructuring aid and are still under a restructuring plan, and businesses that are not SMEs and that have fallen below solvency ratios for the previous two years).

For RLS Facilities under £30,000, the "undertaking in difficulty" test does not apply as a Facility of this level is considered to involve a de minimis amount of State aid.

## 7.2 Facility Status – Eligible or Rejected

When the Eligibility Check is complete, the Guarantees Portal will provide one of three responses:

- Facility is Eligible
- Facility Loan is Ineligible
- Facility Loan details are missing/error messages will highlight the areas that need attention.

‘FACILITY IS ELIGIBLE’ – If all the eligibility criteria are satisfied, the system will indicate that the Facility meets the eligibility criteria for RLS and will be saved as ‘Eligible’ as shown in screenshot 7.2. At this point a ‘Unique Reference Number’ will be allocated. It is important that this is recorded for future reference.

Guarantees Portal Screen 7.2: Facility Is Eligible/System Response

The screenshot displays the Guarantees Portal interface. At the top, there is a dark blue header with 'Guarantees Portal' on the left and 'Help', 'Change Password', and 'Logout' on the right. Below the header is a navigation bar with links for 'Facility Portfolio', 'New Facility', 'Claims', 'Invoices', 'Recoveries', 'Reports', and 'Search', along with a 'Quick Lookup' search box. The breadcrumb trail shows 'Home / Facility Portfolio / Facility YLVSCA3+01'. The main content area features the heading 'Facility is eligible' with a blue dot and line pointing to it from a callout box labeled 'Decision'. Below this, it states 'Your facility reference is: YLVSCA3+01' and provides a confirmation message: 'This page confirms that your application is most likely to be eligible. You will need to complete the Facility Entry process before a final decision can be made.' A blue button labeled 'View Facility Summary' is present, with a callout box labeled 'Return to Facility Summary' pointing to it. At the bottom, there is an email notification section with the text 'This eligibility decision can be e-mailed for convenience (for internal use only).', an 'Email' label, an input field, and a 'Send' button. A callout box labeled 'Send decision via e-mail' points to the input field.

## Guarantees Portal Screen 7.2.1: Facility is Eligible/Summary Screen/Next Steps

The screenshot displays the 'Guarantees Portal' interface. At the top, there are navigation links: 'Facility Portfolio', 'New Facility', 'Claims', 'Invoices', 'Recoveries', 'Reports', and 'Search'. A 'Quick Lookup' search bar is also present. The breadcrumb trail reads 'Home / Facility Portfolio / Facility YLVSCA3+01'. The main heading is 'Facility Summary for YLVSCA3+01' with an 'Export CSV' button to the right.

The facility details are as follows:

Facility Scheme:	RLS
Facility type:	Term Facility
State:	Eligible
Amount:	<not assigned>
Business name:	<not assigned>
Last modified:	20/12/2021 17:00:06

## Guarantees Portal Screen 7.2.2: Facility is Ineligible – Reasons For Rejection

The screenshot shows the Guarantees Portal interface. At the top, there is a navigation bar with 'Guarantees Portal – Training' on the left and 'Help', 'Change Password', and 'Logout' on the right. Below this is a secondary navigation bar with links for 'Facility Portfolio', 'New Facility', 'Claims', 'Invoices', 'Recoveries', 'Reports', and 'Search', along with a 'Quick Lookup' search box. A breadcrumb trail indicates the current location: 'Home / Facility Portfolio / Facility XBLE57J+01'. The main heading is 'Facility is ineligible'. Below this, it states 'Your facility reference is: XBLE57J+01' and 'Your facility application was rejected for the following reasons:'. A single reason is listed: '1. A new charge may not be taken over a principal private residence in connection with providing an RLS-backed facility.' The page confirms the application is not eligible for RLS and cannot be progressed further. There is a 'View Facility Summary' button. At the bottom, there is a section for emailing the decision, with the text 'This eligibility decision can be e-mailed for your convenience (for internal use only)', an 'Email' label, an input field, and a 'Send' button.

Once a Facility has been 'Rejected', it is not possible to amend the details (the system will, however, allow Users to enter details that are missing before rejection). Therefore, if a Facility has been rejected due to the incorrect details being input a new eligibility check will be required. As with an 'eligible' Facility – there is the functionality to email a colleague with the Guarantees Portal's decision.

Once the above information has been input, the Guarantees Portal will confirm that the Facility has been entered.

#### Guarantees Portal Screen 8.3: Facility has been Entered

The screen details the additional paperwork which is required to be produced from the Guarantees Portal and sent to the Borrower along with the Lender's normal Facility Letter/Lender Agreement form. The Facility Letter should contain the relevant RLS clauses from the Legal Agreement.

Once the Facility Letter has been issued – the Guarantees Portal needs to be updated as soon as possible and with best endeavours within 10 business days as per the RLS Guarantee Agreement to reflect that the Facility state has been moved to 'Offered'.

See [9.2 Offer Scheme Facility](#) section for how to progress the facility to an 'Offered' state.

Capital repayment holiday:	3 months

The 'Offer Scheme Facility' screen will be shown as in screenshot 9.2.2.

## Guarantees Portal Screen 9.2.2: Offer Scheme Facility

The screenshot shows the 'Guarantees Portal' interface for the 'Facility Offer' screen. The navigation and breadcrumb trail are identical to the previous screenshot. The main heading is 'Facility Offer'. Below the heading, there is a sub-heading 'Facility Offer' and a description: 'From this page you can record the offer of a Scheme Facility to a borrower.' An 'IMPORTANT' note states: 'The date of the Scheme Facility letter must be within the date range of the selected Lending Limit'. Below this, there are two numbered callouts: 1. 'Facility lending limit details: RLS Phase 2 Lending Limit (16/11/2021 - 31/03/2022)'. 2. 'What is the date of the Scheme Facility Letter? - Please note that this must fall within the chosen Lending Limit period. ## 9.3 Change Lending Limit

Towards the end of the Scheme year a Lender may begin entering a Facility before the following RLS Phase is available.

If a Facility has been keyed in before 31 December and is then offered after 31 December, Lenders will need to cancel the Facility and key in a new one. They will need to confirm the Facility meets the RLS extension (Phase 2) eligibility criteria.

## 9.4 Amend Facility Details

This enables a Lender to Amend the Facility information input into the Guarantees Portal without having to start the whole process from the beginning. The Lender will be asked to confirm that this is what they want to do and advise then that the suffix to the RLS Reference Number will be increased by 1 e.g. if the RLS Reference Number was BGH67HJ+01 it will become BGH67HJ+02.

The screenshot shows the 'Guarantees Portal' interface. At the top, there is a navigation bar with 'Help', 'Change Password', and 'Logout'. Below this is a secondary navigation bar with 'Facility Portfolio', 'New Facility', 'Reports', and a search box containing 'Search' and a 'Lookup Facility' button. The breadcrumb trail reads 'Home / Facility Portfolio / Facility Y9F2BKT+01'. The main heading is 'Amend Facility Details'. Below the heading, a message states: 'Please confirm you wish to perform this action on facility Y9F2BKT+01.' This is followed by the text: 'If you proceed, the following changes will be made:'. A bulleted list details the changes: 'Facility Y9F2BKT+01 will be cancelled.', 'A duplicate facility with a new reference of Y9F2BKT+02 will be created.', 'The new facility will be in a state of "incomplete".', and 'You will be taken directly to the Facility Entry form for the new facility where you can amend its details.' At the bottom of the form, there are two buttons: 'Confirm' and 'Cancel'.

## 11.3 Data Correction

Data Correction enables Facilities to be amended where information has been entered incorrectly. This functionality should only be used in exceptional circumstances. All Users now have access to this functionality – so it is dependent on each Lender to monitor how often this functionality is being used. If it is being used extensively, Lenders may need to investigate the reasons why.

This option is available for Facilities in the 'Guaranteed' and 'Lender Demand' states. The 'Data Correction' option from the 'Facility Summary' screen will allow a Lender to change:

- Annual Effective Rate
- Bank of England Funding
- Business name
- Facility Reason
- Generic fields
- Initial Draw Date
- Legal Form and Company registration
- Lender reference
- Northern Ireland Protocol
- Offer date
- Postcode
- SIC Code
- Sort code
- Sub Lender

## 11.0 Actions After Guaranteed

---

- Suspected Fraud Reason
- Trading date
- Trading name

This function should only be used to correct data input errors.

Select 'Data Correction' from the 'Facility Summary' screen. Input the correct data as required and submit. Details of the amendments can be checked via the 'Loan Details' screen.

The Guarantees Portal does not confirm what changes have been made.

# 12.0 Transferring RLS Facilities Between Lenders

---

An RLS Facility cannot be transferred or reassigned between Lenders. Therefore, should a Borrower wish to move their RLS Facility to a different Lender, a new RLS eligibility check would need to be undertaken. If the application is deemed to be eligible for RLS, the new Lender would complete the RLS application process as for any new Borrower (including inputting the original use of the funds as the purpose of the new RLS Facility being applied for and not 'Refinance') and follow the guidance in this Manual.

It is accepted that there will likely be a short delay between the date the new RLS Facility is drawn down and the original RLS Facility is repaid and therefore it is acceptable for both RLS Facilities to be outstanding for a short period of time whilst refinance of the original RLS Facility takes place.

A Lender should follow their normal process for repayment of an RLS Facility with another Lender. However, it is entirely at the Lender's own risk should they allow the Borrower to drawdown a new RLS Facility to repay the existing RLS Facility(ies) without putting any safeguards in place to ensure that it/they are repaid.

## **Guarantees Portal Process for Lender A**

On receipt of the funds from Lender B the Facility should be updated to 'Repaid'.

## **Guarantees Portal Process for Lender B**

Each case should be entered as a new application and processed through to 'Guaranteed' in the usual manner. At Facility Entry, Lenders should input the following three pieces of information in the Lender specific information field:

- The word "Transfer"
- The RLS loan reference (seven character alphanumeric) of the Facility previously provided by Lender A
- The name of Lender A

## 13.2 Report and Audit Functions

### 13.2.1 Generate Facility Report

This function allows a report of Facilities within a Lender's Portfolio to be created based on chosen criteria. The reports can be downloaded in a format that can be saved and viewed in Excel.

Select 'Generate Facility Report' from the 'Reports' dropdown on the navigation bar. This will display the 'Facility Report' page as shown in screenshot 13.2.1.

The search can be narrowed using one or more of the following parameters:

- Scheme Facility Letter Date – Start and End date
- Created Date – Start and End date
- Last Modified Date – Start and End date
- Scheme Phase – Note for RLS this should be 'RLS Phase 1' or 'RLS Phase 2'
- Facility Type
- Facility State – Select Facility state (several states can be selected – CTRL and 'click')
- Sub Lender – if applicable
- User (who created the data) – Select User
- Facilities that are currently in arrears

## Guarantees Portal Screen 13.2.2: Facility Report Summary

The screenshot shows the 'Guarantees Portal' interface. At the top, there is a navigation bar with 'Help', 'Change Password', and 'Logout'. Below this is a secondary navigation bar with 'Facility Portfolio', 'New Facility', 'Claims', 'Invoices', 'Recoveries', 'Reports', and 'Search'. A 'Quick Lookup' search box is also present. The main content area is titled 'Facility Report Summary' and includes a sub-header 'Home / Facility Report'. Below this, a message states: 'This page summarises the results of your facility report search criteria. You can download the report or perform a fresh search using edited or new criteria.' A progress indicator shows 'Data extract found 2483 rows'. The main section is a table of search criteria with columns 'Criterion' and 'Value'. The criteria include dates for 'The Scheme Facility Letter', 'The 'created'', and 'The 'last modified'' start and end dates. Facility types are listed as 'RIS Asset Finance', 'RIS Business Term', 'RIS Invoice Finance', and 'RIS Revolving Credit'. Other criteria include 'Facility state(s)', 'Lender organisation' (BBB Test Team Lender 1), 'Phase(s)' (RLS Phase 1, RLS Phase 2), and 'Only show facilities that are in arrears' (false). A 'Generate Report' button is located at the bottom of the criteria table. Three blue callout boxes with lines pointing to the interface are labeled: 'Number of Facilities' (pointing to the '2483 rows' text), 'Search Parameters' (pointing to the 'Facility type(s)' section), and 'Generate Report' (pointing to the 'Generate Report' button).

Criterion	Value
The Scheme Facility Letter start date for your report	
The Scheme Facility Letter end date for your report	
The 'created' start date for your report	
The 'created' end date for your report	
The 'last modified' start date for your report	
The 'last modified' end date for your report

Once a report has been generated an email will be sent to the requestor with a link to download the report. Additionally, a Lender can view the status of requested reports and/or download them, via the 'View all my Current Reports' page under the Reports tab on the navigation bar. Generated reports will show here for 3 days.

Reports generated by the Guarantees Portal can be downloaded by clicking on 'Download Report'.

# 13.0 Facility Administration

---

This can either be opened by selecting 'Open' or 'saved'/'Save as' a .csv file.  
(See 6.6 [Download a 'Facility Report'](#)).

The extract can then be reviewed utilising Excel and if necessary, saved again if necessary, to an appropriate Excel version (depending on what version the User has access to).

To edit the search criteria the User must re-generate the report.

# 14.0 Administrator Role

---

## 14.1 Role Summary

Each Lender will have at least one system Administrator who has the ability to create and maintain End User accounts – and designate 'Experts'

Administrators do not have the ability to use any other part of the Guarantees Portal functionality. If an Administrator requires access to other parts of the system (i.e. to input RLS Facilities or to produce reports) they must set themselves up as an End User (see [14.4 Manage Lender Users](#)).

It is an important security consideration that Administrators are chosen carefully by the Lender and that numbers are kept as low as possible to allow tight controls on the ability to create User accounts/Experts.

## 14.2 Administrator Creation

To add an Administrator(s) the organisation should contact BBB with the details of the person(s) nominated to be set up as an Administrator. This information should include the individuals name and email address. The email account cannot be a team account or a generic one – it must be the individual's work email address.

BBB will set up the Administrator on the Guarantees Portal.

The automated email will contain:

- A Username and
- A link – so that the Administrator can establish their unique password.

# 14.0 Administrator Role

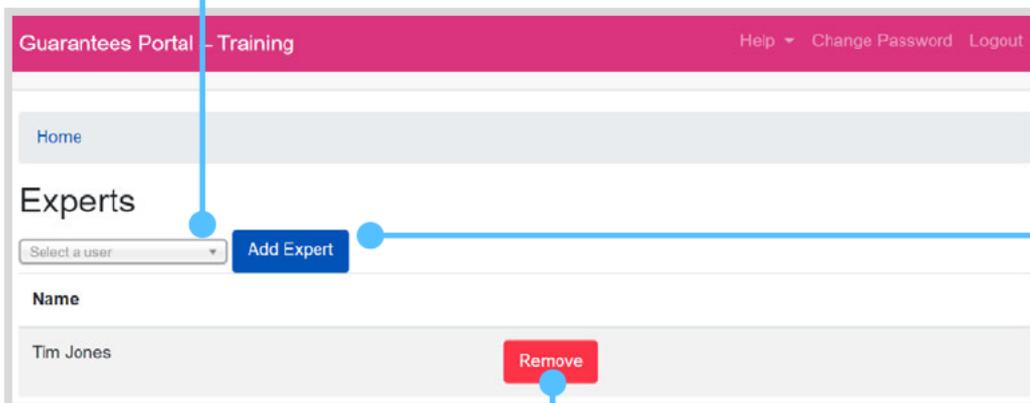

## 14.3 Manage 'Experts'

Within the system, the Lender Administrator can assign individuals as 'Experts' (select Manage Experts (see screenshot 14.3)). Any queries made via the system's 'Help'/'Ask an Expert' option – will ensure that the appropriate query is directed to these 'Experts'. Queries by the Experts will be directed to BBB via the 'Ask BBB' option (an option that is only available to an 'Expert').

### Guarantees Portal Screens 14.3: Administrator Home Page/Experts

Manage Experts

1) Select a User via the drop down

2) Then Add User as an Expert (to the list)

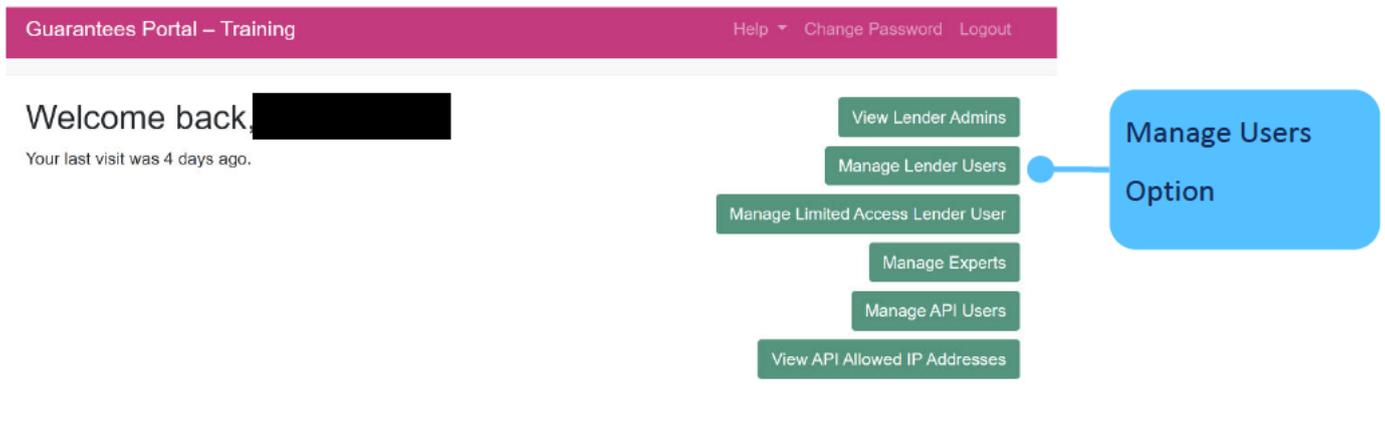

3) To Remove a user – select 'Remove'

# 14.0 Administrator Role

## 14.4 Manage Lender Users

When an Administrator uses the Guarantees Portal, the Home Page is displayed as shown in screenshot 14.4. From the Home Page, the Administrator can manage Lender Users, Limited Access Lender Users and Expert Users. For API integrated Lenders, they can also manage API Users and view their allowed IP addresses.
