

BBLS

Start Up Loans is a subsidiary of the British Business Bank and deliver the Government's Start Up Loans programme providing finance and support for businesses who struggle to access other forms of finance.

We work with a national network of Delivery Partners who are based across England, Wales, Scotland and Northern Ireland.

In addition to helping applicants prepare their business plan and cash flow forecast, our Delivery Partners are responsible for assessing final applications and providing ongoing mentoring support to successful applicants.

Our mission is to make business ownership a viable career for individuals who struggle to raise finance. We provide affordable loans and mentoring to help these individuals start up and succeed.

Launched in May 2020, the Bounce Back Loan Scheme provides financial support to business across the UK that are losing revenue and seeing their cash flow disrupted as a result of the COVID – 19 pandemic. Businesses can benefit from £50,000 or less in finance.

The Bounce Back Loans team work with a network of Delivery partners to help administer the scheme.

- You will assist the BBLS Recoveries & Data Manager within the Bounce Back loans team, you will be involved in a range of activities such as data gathering and producing ad-hoc analysis in relation to fraud and recoveries data
