

Legal and Governance

The Legal and Governance team works in collaboration with internal and external stakeholders, scoping out the need for legal support (internal and external) and ensuring we appropriately resource all matters for which legal support is needed

Some of the activities that may be included in this role will be:

- Undertaking research on areas of law and regulation applicable to BBB
- Assisting members of the legal team in relation to advising on transactions across BBB
- Assisting members of the legal team in addressing legal queries
- Working closely with BBB panel law firms
- Attending meetings with internal and external stakeholders
- Responsible for maintaining Legal Department intranet FAQs
